Fresh Holiday Cinnamon Rolls

Celebrate food this season by sinking your teeth into Staci's legendary cinnamon rolls. These decadent treats are normally \$8/each, but Safe Yakima Valley is teaming up with Reno's on the Runway to bring you a treat worth celebrating. You'll receive 4 large cinnamon rolls for \$20. Of that, \$10 will support a small, family-owned business. And \$10 will support the programs and activities of Safe Yakima Valley. And while helping others, you'll be saving \$12.

This is a three-way win we hope you'll roll on in for.

(Ask us about group deliveries to offices and schools the week of December 14.)
